RE: Superfund 103(c) Site Notification

Dear Sirs:

Enclosed is a site notification for the Bunker Ramo-Eltra Corporation, a wholly owned subsidiary of Allied Corporation, Broadview, Illinois facility as required by Section 103(c) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980.

The information forwarded herewith was determined during a recent plant clean-up activity during shutdown of operations and in preparation of the building for eventual sale. The information will be fully disclosed to the Illinois Environmental Protection Agency and the Cook County Department of Public Health. Further definitional studies will be planned after consultation with the Illinois EPA.

It should be noted that the Bunker Ramo-Eltra Corporation became a part of Allied Corporation during 1981.

Sincerely yours,

AMPHENOL PRODUCTS
